Note: Data for the report is updated on a monthly basis and Users should pay special attention to the top of the report stating the current date of the information.

The report generates two (2) Excel worksheets – one with the search criteria and one with the search results. Be sure to click on the Search Results menu in the bottom left corner to view the actual report data. The default sort order of the report will always be Year, Make, Model, Body Style regardless of the parameters used. Other fields that appear on the report but are not visible in the screen shot:

- Title Number
- Title Status
- Title Transfer Date
- Plate Category
- Owner/Lessee
- Address
- City
- State
- Zip
- Owner Type
