STATE OF NORTH CAROLINA
DEPARTMENT OF INFORMATION TECHNOLOGY (DIT)
STATEWIDE IT PROCUREMENT OFFICE

Statewide IT Contract Number	**918A – Security Assessment Services**
Bid / Solicitation Number	ITS-400279
Contract Award Type	MANDATORY
Current Effective Dates	October 26, 2017, through July 31, 2026
Technical Contact	Michael McCray IT Security and Compliance Specialist Email: michael.mccray@nc.gov Tel: 919-754-6295
Contract Administrator	Beverly Satterfield Email: beverly.satterfield@nc.gov Tel: 919-754-6614

Scope

The scope of this State Term Contract is for Security Assessment Services and is comprehensive in nature and involves the evaluation of a wide range of technical, operational, and managerial processes and mechanisms used to protect networks, information, and critical State Data. Such services may include, but are not limited to, the following: risk assessments, remediation suggestions, policy development services, security consultation services, incident response services, and training services. The types of Services available under this Contract are:

- Security Program Assessment
- Application Risk Assessment
- Network Architecture Assessment
- Wireless Network Architecture Assessment
- Penetration Test and Assessment
- Internal Vulnerability Assessment
- Security Incident Readiness Assessment
- Security Incident Response Services and Consulting
- Cybersecurity Training
- Security Policy Development Services
- Value-Added Consulting Services
- Value-Added Services

Note: Value-added services would be any security assessment or consulting services not already defined in the services list above. For example, value-added services could be such things as mobile device security assessment and consultation, cloud computing assessment, business continuity assessment, or a PCI-DSS assessment.

This Contract is a **MANDATORY** Statewide TERM Contract for the use of **Executive Branch State Governmental Agencies** and is a **Convenience** Contract, not mandatory, for the use of **non-State Agencies** permitted by law. Non-State Agencies presently include the **North Carolina University System** and its member campuses, **Instructional components of the Department of Public Instruction, Instructional components of the Department of Community Colleges,** as well as **Local** (Municipal and County) **Governments.**

Agencies with the need to acquire services not covered by this Contract are required to comply with IT Procurement Rules, Policies and Procedures.

Vendor Summary

Below is a summary of the Vendors providing security assessment services on this Statewide IT Contract. To obtain assessment services with pricing, please get in touch with a Vendor listed under the Vendor Contact Information section below.

As per the terms of the Contract, the Agency shall conduct Background Check on selected Vendor, following the Agency's normal policies and procedures. The Vendor shall pay for the Background Check.

Please note that not all Security Assessment Services listed in Scope are offered by all Vendors.

NC Statewide IT Contract 918A Vendors	
(in alphabetical order)	
• Accenture	• IBM
• Agio	• Impact Makers
• Alphanumeric Systems	• Infosys Public Services
• Ampcus	• Integrated Computer Solutions (ICS)
• BerryDunn	• Janus Associates
• Bullet Proof Solutions	• KPMG LLP
• CBIZ	• Mission Critical Partners
• CenturyLink	• Presidio
• Deloitte & Touche	• SHI International
• Direct Technology Group (DTG)	• System Soft Technologies
• End-to-End Computing	• Verizon *(Expired – extension pending)*
• Ernst & Young	

How to Order Security Assessment Services

- Upon determination of business need, Agency to complete a Statement of Work using **SOW template** available on 918A Webpage. https://it.nc.gov/documents/contract-918a-security-assessment-services
- As a best practice, an Agency should seek SOW quotes from multiple Vendors listed on this Statewide IT Contract. Vendor selection shall be based on the offered quote which best meets that Agency's needs and available budget, including value-added services, completion time, etc.
- The selected Vendor provides Background Check at no cost to the Agency. Following Agency's Security Policy and Procedure.
- Upon determination and Vendor selection, the Agency to follow Agency's Procurement Policy and Procedure on issuing a requisition and purchase order.

- The respective order will be issued directly to the Vendor selected by the Agency, consistent with the terms and conditions of this competitively bid, Statewide IT Contract award and the Agency SOW.

Agency Assessment Services Determination Statement of Work (SOW)

Agencies will need to provide a Statement of Work (SOW) to the Vendor (or Vendors) in order to determine its business needs and requirements and establish an estimate of the Assessment Services cost(s).

End users SHOULD use the Word Document titled: STC 918A Security Assessment Services SOW Template. This template is available on the 918A Webpage. https://it.nc.gov/documents/contract-918a-security-assessment-services

Minimum Orders

There is NO Minimum Order amount on this Contract.

Abnormal Quantity Orders

There is NO Abnormal Quantity amount on this Contract.

Vendor Contact Information

All known minority, physically handicapped or women contractors, including dealers, will be identified as a "HUB Vendor" after their Vendor name. This is being done in an effort to better recognize businesses owned and operated by these groups and to encourage and promote their use to the greatest extent permitted by law.
