

## 725G – Two-Way Radio Communications Equipment Contract

State Term Contract Number Effective Date:	<b>725G</b> Extended through June 30, 2025
Contract Administrator: Email: Phone:	Releata Jones <a href="mailto:releata.baker-jones@nc.gov">releata.baker-jones@nc.gov</a> 919-754-6666

### Scope

The contract includes two-way mobile and base radio communications equipment and their accessories as defined below. No other communications equipment or categories are included on this contract. In-shop and onsite repair services are also available. Contact distributors directly for quotes on all needs.

Equipment: **Contract 725G covers only the following five categories of equipment:**

1. Low Band Equipment to include parts and accessories
  - Mobile Radios
  - Trunk mounted Radios
  - Front mounted Radios
  - Base Stations, 50 to 100 watts
  - Portable Radios, 5 watts or higher
2. VHF Equipment to include parts and accessories
  - Mobile Radios
  - Vehicle Repeaters
  - Base Stations, 35 to 100 watts
  - Repeaters – 100 watts
  - Portable Radios, 4 watts or higher
3. UHF Equipment to include parts and accessories
  - Mobile Radios
  - Trunk mounted Radios
  - Front mounted Radios
  - Vehicle Repeaters
  - Base Station, 40 to 100 watts
  - Repeaters, 100 watts
  - Portable Radios, 4 watts or higher
4. 800 MHz Equipment to include parts and accessories
  - Mobile Radios
  - Trunk mounted Radios
  - Front mounted Radios
  - Base Stations, 50 to 100 watts
  - Repeaters, 35 watts
  - Portable Radios, 3 watts or higher
5. Dispatch Console Equipment/Systems parts and accessories. Included in parts and accessories shall be a variety of antennas, antenna cables, mounts for units and antennas, power supplies, and any other parts or accessories as needed. The following are examples of items that are considered in parts and accessories.
  - Two-way antennas (mobile, portable)
  - Two-way headsets and microphones
  - Two-way encoders and decoders
  - Power supplies to include batteries and chargers
  - Mounts for both the units and the antennas
  - Carry cases and clips
  - Flash upgrades for programming radios

**\*\*This contract does not include FRS and GMRS walkie-talkie type two-way radios that are sold at most discount stores.** State Agencies that need to acquire other radio communications equipment not covered by this contract are required to comply with IT Procurement Rules, Policies, and Procedures.

This is a Statewide IT Convenience Contract, not mandatory, for the use of State Governmental Agencies and non-State Agencies as permitted by law. Non-state Agencies presently include the North Carolina University System and its member campuses, Instructional components of the Department of Public Instruction, Instructional components of the Department of Community Colleges, as well as Local (Municipal and County) Governments.

### **Abnormal Quantity Provision**

Any request that exceeds \$100,000 must be reviewed and approved by the Statewide IT Procurement Office before a Purchase Order can be issued.

For NC eProcurement Users, the system will automatically add the appropriate NCDIT Approvers and the Statewide IT Procurement Office to your Approval Flow.

For Non-NC eProcurement Users, you must email your request (including the Vendor quote and your documentation) to the following address: [Submit2.StatewideIT@its.nc.gov](mailto:Submit2.StatewideIT@its.nc.gov)

(Please include "Abnormal Quantity Request STC 725G" in the subject line of the email).

The Statewide IT Procurement Office, in consultation with the procuring Agency, may process the request in one or more of the following ways:

1. Request may be authorized at current pricing with current Vendor(s).
2. Additional discounts from the current pricing level may be negotiated with current vendor(s) or approved resellers.
3. A separate Invitation for Bids (IFB) may be issued for the request.

### **Minimum Orders**

There are no minimum order requirements for this contract.

### **Manufacturer Brand / Pricing**

There are multiple brands awarded in this contract. To obtain pricing, contact the Primary contract contact or any of the distributors listed in the Ordering and Vendor Contact Information section next.

**See the next page for Ordering and Vendor Contact Information.**

**Ordering and Vendor Contact Information**

All Purchase Orders must reference NC STC 725G.

## **Transportation Charges**

FOB – Destination

Freight, handling and distribution charges shall be included in the total price of each item listed.

## **Delivery**

Vendor will complete equipment delivery within sixty (60) consecutive calendar days after receipt of a Purchase Order. Vendor will complete parts and accessories delivery within thirty (30) consecutive calendar days after receipt of a Purchase Order.

## **Warranty**

The Vendor warrants to the State that all equipment furnished will be new, of good material and workmanship. Standard limited warranties have been established for radio communications equipment and are presented below. Vendor will utilize best efforts to resolve problems in a timely fashion through the use of acceptable servicing methods, to include but not be limited to, verbal problem analysis and remote diagnostics. This statement is not intended to limit any additional coverage, which may normally be associated with a product.

The Standard Warranties are:

<b>Vendor</b>	<b>Equipment</b>	<b>Parts/Accessories</b>
E.F. Johnson	12 months	12 months
ICOM America	24 months	12 months
Harris Corporation	12 months	12 months
Motorola Inc.	12-24 months based on model	12 months
BK Technologies	24 months	12 months
Secom Systems	24 months	12 months
Two Way Radio	24 months	12 months

## **Taxes**

Prices do not include North Carolina sales or use taxes.

## **Value Added Services**

Contract related value-added services may be provided by the Vendor. Value added services may be, but are not limited to, training, installation, leasing, asset tagging or imaging. These additional services will be negotiated by the Agency with the contract holder in accordance with IT Policies and Procedures. The Agency is responsible for reviewing and amending, if necessary, the scope of work, lease agreement, etc. prior to order placement.

Extended maintenance/service options to include quicker resolution of hardware problems and after hour support may be offered. Agencies may elect to enroll in one or more extended service options offered by issuing appropriate Purchase Order for said option. Maintenance services may be renewed upon written notice (Purchase Order) by the Agency no later than thirty (30) days prior to the expiration date of the initial acceptance of the maintenance options. Following notice of renewal (Purchase Order), the agency will be invoiced for the corresponding maintenance service fees in annual installments. Escalation of annual maintenance fees shall not exceed 5% per year. Any maintenance agreements shall be subject to the terms of this contract.

## **Amendments/Extensions/Renewals**
