Dear Members of the General Assembly and Staff:

This letter serves as a quarterly update on activities of the North Carolina Longitudinal Data System Board as directed by Session Law 2013-80.

A lack of activity and information to share, as well as several members not being able to attend, the last two meetings were canceled; therefore, there is no updated information to relay to you. There have been no meetings held or scheduled for 2016.

Thank you again for the opportunity to serve as chair of the Longitudinal Data System Board. Please feel free to contact me if you need any additional information.

Sincerely,

A handwritten signature in black ink, appearing to read 'Keith Werner'.

Keith Werner
