

NC Parcels

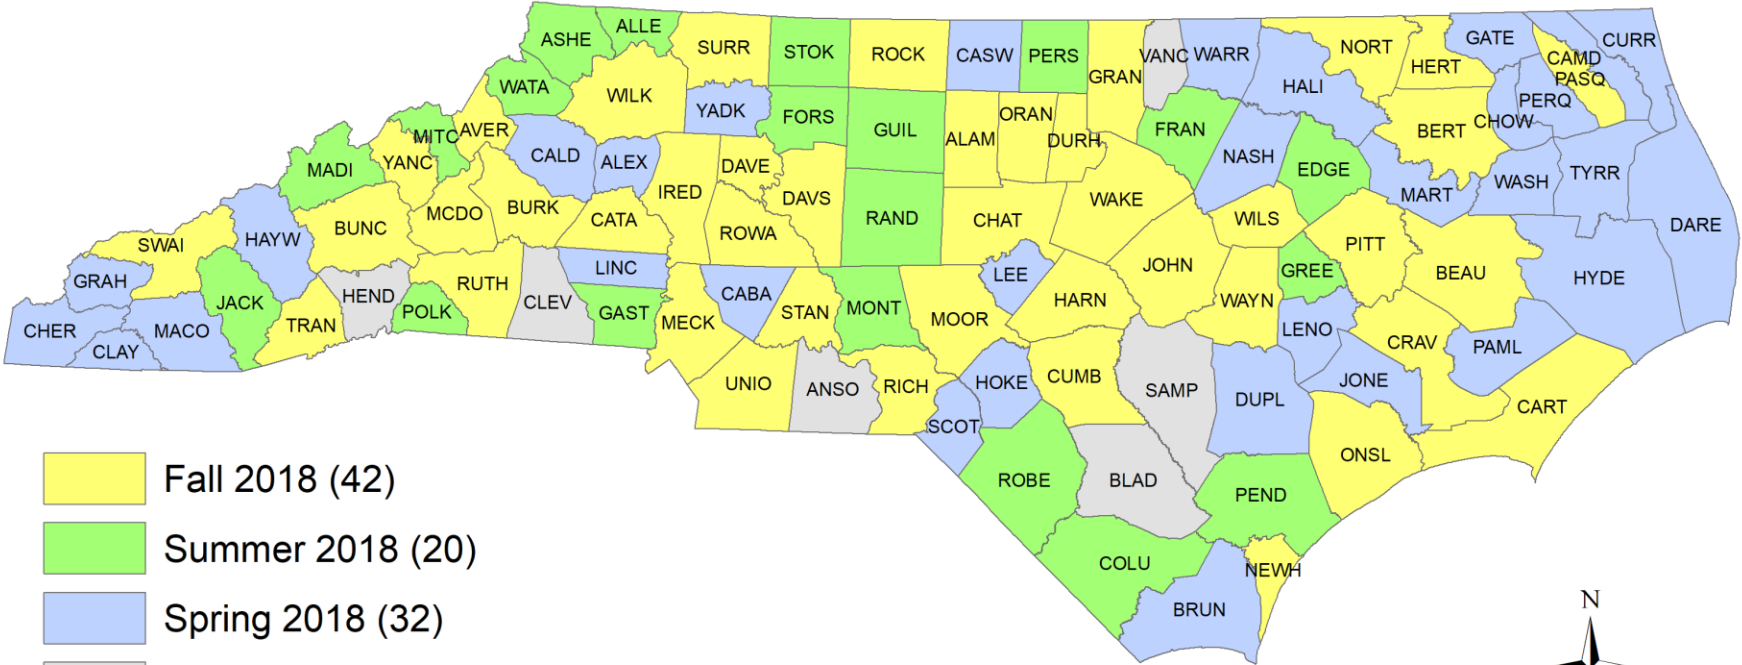

Working Group for Seamless Parcels

October 17, 2018

- **Fall update in progress**
- **Delays for some -- storm related GIS activities**
- **County downloadable data were valuable in preparation for storms – refreshed where we could**
- **Status map with seasonal updates**
- **Plan to learn more about parcel data applied to community planning software**

NC Parcels Project Status (Last Update by County)

- Fall 2018 (42)
- Summer 2018 (20)
- Spring 2018 (32)
- 2017 (6)
