

NC Parcels

Working Group for Seamless Parcels

July 18, 2018

NC Parcels Project Status

Sources: NC Center for Geographic Information and Analysis and the Working Group for Seamless Parcels, Statewide Mapping Advisory Committee.

July 16, 2018

- **Collaborated with Piedmont Authority for Regional Transportation – avoided duplication**
 - **9-county region**
 - **Planning software applies current land use by parcel – use descriptions valuable**
- **Economic development value**
- **Safe place to have a copy – ransomware; hurricane**
- **Planning to communicate value to more groups**
