

NC Parcels

January 24, 2020

NC Parcels

- **All counties were updated in 2019!**
- **Quarter 1 updates are underway.**
- **Common required fields not consistently populated:**
 - **Site Address**
 - **Parcel Use Description**
 - **Present Use Value**
 - **Last Sale Date**

Quarterly Updates

- **It is not expected every county will have updates in every quarter.**
 - **i.e., Pasquotank only has updates twice a year**
 - **Tied to their taxing system**
- **This far in Q1, 19 counties have been updated in statewide layer.**
- **Individual outreach to the remaining will begin in February.**

Thank you!
