**NOTE: This contract does not include the FRS and GMRS walkie-talkie type two-way radios which are sold at most discount stores.**

### Scope

The intent of this contract and shall be for 2-way mobile and base radio communications equipment and their accessories. No other communications equipment or categories are included on this contract. In-shop and onsite repair services are also available. Contact distributors directly for quotes on all needs.

Contract 725G only covers the following equipment items:

**Equipment:** The equipment is divided into five (5) categories. The categories are:

i) **Low Band Equipment** to include parts/accessories
   - Mobile Radios
   - Trunk mounted Radios
   - Front mounted Radios
   - Base Stations, 50 to 100 watts
   - Portable Radios, 5 watts or higher

ii) **VHF Equipment** to include parts/accessories
    - Mobile Radios
    - Vehicle Repeaters
    - Base Stations, 35 to 100 watts
    - Repeaters – 100 watts
    - Portable Radios, 4 watts or higher

iii) **UHF Equipment** to include parts/accessories
     - Mobile Radios
     - Trunk mounted Radios
     - Front mounted Radios
     - Vehicle Repeaters
     - Base Station, 40 to 100 watts
     - Repeaters - 100 watts
     - Portable Radios, 4 watts or higher

iv) **800 MHz Equipment** to include parts/accessories
    - Mobile Radios
    - Trunk mounted Radios
    - Front mounted Radios
    - Base Stations, 50 to 100 watts
    - Repeaters - 35 watts
    - Portable Radios, 3 watts or higher

v) **Dispatch Console Equipment/Systems**

**Parts and Accessories.** Included in parts and accessories shall be a variety of antennas, antenna cables, mounts for units and antennas, power supplies, and any other parts or accessories as needed. The following are examples of items that are considered in parts and accessories.
- 2-way antennas (mobile, portable)
- 2-way headsets and microphones
- 2-way encoders and decoders
- Power supplies to include batteries and chargers
- Mounts for both the units and the antennas
- Carry cases and clips
- Flash upgrades for programming radios

State Agencies with the need to acquire other radio communications equipment not covered by this contract are required to comply with IT Procurement Rules, Policies, and Procedures.

This is a **Convenience Contract**, not mandatory, for the use of **State Governmental Agencies** and non-**State Agencies**. Non-state Agencies presently include the **North Carolina University System** and its member campuses, **Instructional components of the Department of Public Instruction**, **Instructional components of the Department of Community Colleges**, as well as **Local** (Municipal and County) **Governments**.

**Manufacturer Brand / Pricing**

There are multiple brands awarded in this contract. To obtain pricing, contact the Primary contract contact or any of the distributors listed in the **Ordering and Vendor Contact Information** section next.

**Minimum Orders**
There are no minimum order requirements for this contract.

**Abnormal Quantity**
Any requirement that exceeds $100,000 must be forwarded to the Statewide IT Procurement Office for approval. The Statewide IT Procurement Office, in consultation with the using Agency, may process the request in one or more of the following ways:
1. Purchase may be authorized at the current level of pricing with the current contract Vendor(s)
2. Additional discounts from the current level of pricing may be negotiated with the current contract Vendor(s)
3. A separate Invitation for Bids may be issued for the requirement.

**Transportation Charges**
FOB – Destination
Freight, handling and distribution charges shall be included in the total price of each item listed.

**Delivery**
Vendor(s) will complete equipment delivery within **sixty (60)** consecutive calendar days after receipt of a Purchase Order. Vendor(s) will complete parts and accessories delivery within **thirty (30)** consecutive calendar days after receipt of a Purchase Order.

**Warranty**
The Vendors warrants to the State that all equipment furnished will be new, of good material and workmanship. Standard limited warranties have been established for radio communications equipment and are presented below. Vendors will utilize best efforts to resolve problems in a timely fashion through the use of acceptable servicing methods, to include but not be limited to, verbal problem analysis and remote diagnostics. This statement is not intended to limit any additional coverage, which may normally be associated with a product.

The Standard Warranties are:

**Taxes**
Prices do not include North Carolina sales or use taxes.

**Value Added Services**
Contract related value-added services may be provided by the Vendors. Value added services may be, but are not limited to, training, installation, leasing, asset tagging or imaging. These additional services will be negotiated by the Agency with the contract holder in accordance with IT Policies and Procedures. The Agency is responsible for reviewing and amending if necessary, the scope of work, lease agreement, etc. prior to order placement.
Extended maintenance/service options to include quicker resolution of hardware problems and after hour support may be offered. Agencies may elect to enroll in one or more extended service options offered by issuing appropriate Purchase Order for said option. Maintenance services may be renewed upon written notice (Purchase Order) by the Agency no later than thirty (30) days prior to the expiration date of the initial acceptance of the maintenance options. Following notice of renewal (Purchase Order), the agency will be invoiced for the corresponding maintenance service fees in annual installments. Escalation of annual maintenance fees shall not exceed 5% per year. Any maintenance agreements shall be subject to the terms of this contract.
